

**The Subject** Case Study  
**The Project** StayLiverpool  
**The Location** Liverpool

## The Project

StayLiverpool a member of the stayCity.com group, provides top quality self catering apartment accommodation at affordable prices to visitors to Liverpool, Capital of Culture 2008. Home of the Beatles and world-famous for its football team, Liverpool is a dynamic city benefiting from a high volume of visitors to its many tourist attractions.

## The Requirement

To fully furnish 80 one and two bedroom apartments within six weeks of order. Style Counsel Interiors was asked to source specific products with a brand them to run throughout the apartments, which included furniture, window dressing and entertainment systems.

## Solution

Style Counsel Interiors installed an attractive range of high quality, stylish furniture and decorative items throughout the 80 apartments. All furniture was selected for both aesthetic appeal and durability to accommodate the high visitor footfall in these stunning new apartments. Themes were consistent throughout and all apartments were fully furnished ready to accommodate guests within 6 weeks from furniture order.
