Hot off the heels of her recent award success as Congleton Borough Business Person of the Year, Managing Director of Style Counsel Interiors, Jane Pickup, has further cause for celebration.

# Style Counsel adds to Award Success

Specialising in the supply of high quality furniture packages to buy-to-let property investors, the company has been selected as one of four finalists in the North West region's 'Small to Medium Business of the Year' category at the Orange-sponsored National Business Awards. Style Counsel Interiors was chosen for its ability to demonstrate significant growth and innovation in its market sector underpinned by strong financial performance.

To add to this achievement, Jane herself has been awarded a coveted Highly Commended status in the Credit Suisse Entrepreneur of the Year Award

category for exceptional vision, leadership and development of an owner-led business.

The winner will be announced at an awards ceremony and gala dinner at the ACC in Liverpool on 17<sup>th</sup> July and will go forward as a finalist in the national programme.

The achievement comes at a significant time for Style Counsel as it prepares to launch an industry-first range of finance options for property investors. The new packages will allow customers to furnish properties and defer payment interest-free for 12 months.
